

wizBridge⁺

OK, so you are new to Bridge. That's not a problem, because **wizBridge⁺** will introduce you to this wonderful game within minutes of downloading the app.

But please **PLEASE** ... don't just  before reading and understanding some basic rules and principles. Please follow these simple steps, and you'll soon be like a true champion. 

Step 1

Before you do anything else, please touch this button, and then read these two documents

Step 2

After reading these, please select 'Practice Mode', and then select Level 1

Step 3 to Steps37 ... 63 ... or more 😊

Throughout the app, you will see these Info buttons.

Use them!! They will give you useful information relating to the part of the app that you are in.

As you progress in the game, and decide to go up to Levels 2-4, read the relevant documents and use the  which will help you understand the subtle changes to the rules and strategies.

But most importantly ..

..ENJOY playing **WIZ**Bridge⁺
